WHAT IS WTS.SH?

What The Stack is an annual developer-focused tech conference held in Skopje, North Macedonia.

It is the ultimate dev conference and the biggest tech event in the local dev community.

800+
attendees

4
stages

30+
speakers

Full week
of pre-event
activities

As a truly community-driven conference, WTS attracts everyone from experienced industry professionals, engineers, designers, to passionate students, companies and IT communities pushing boundaries all across the region.
